

ABL Fincorp

Banking & Financial Consultant

Banking & Financial Consultant

About ABL Fincorp

ABL Fincorp is a trusted Banking and Financial Consultancy firm based in Pune, founded by Mr. Narendra Thakur, who brings over 25 years of industry experience. We specialize in Project Finance, MSME & Mid-Corporate Finance, Business Loans, Home Loans, Loan against Property (LAP), Food Processing & Cold Storage Loans, and Lease Rental Discounting (LRD).

With a strong network of nationalized and leading private banks, ABL Fincorp helps businesses and individuals secure the right financial solutions. Backed by a skilled team of CAs, financial analysts, project & CMA experts and legal and valuation professionals, we deliver reliable, transparent and growth-oriented financial consultancy.

About the Promoter

Mr. Narendra Thakur is a seasoned finance professional with strong expertise in Accountancy, Auditing, and Banking. He holds an M. Com. in Advanced Accountancy & Auditing from Pune University (1984) and is an INDIAN INSTITUTE OF BANKING & FINANCE (IIBF) -approved Business Correspondent/Facilitator (since 2010). His deep industry insights and experience form the foundation of ABL Fincorp's client-centric financial approach.

Our Vision

To be a trusted and innovative banking and financial advisory firm, delivering clear and personalized solutions that help clients make informed decisions, build lasting relationships, and achieve sustainable growth with long-term financial security.

Our Mission

To drive business success by delivering customized, transparent financial solutions through strong partnerships, enabling confident decisions and sustainable growth.

Our Core Values

Expertise-Driven Excellence

Our decisions are guided by decades of banking and finance experience, backed by multi-disciplinary professional knowledge.

Client-Centric Partnership

We work as long-term partners, deeply understanding each client's business goals and financial needs.

Integrity & Transparency

We uphold the highest ethical standards, ensuring clarity, honesty and trust in every financial engagement.

Customized Solutions

We believe no two businesses are alike and deliver tailored financial strategies for every stage of growth.

Accountability & Reliability

We take ownership of outcomes and remain committed to delivering timely, dependable results.

Growth-Focused Mindset

Our approach is designed to support sustainable expansion and financial stability for our clients.

Collaborative Strength

We leverage strong relationships with banks, institutions and industry experts to create value-driven outcomes

Our Philosophy

At ABL Fincorp, our philosophy is rooted in integrity, expertise, and long-term partnership. With over 25 years of banking and finance experience, we provide comprehensive financial and loan consultancy solutions tailored to the evolving needs of MSMEs and mid-corporate enterprises. Led by industry veteran Mr. Narendra Thakur and supported by a strong network of leading banks and multidisciplinary professionals, we simplify complex financial decisions and deliver customized, growth-oriented solutions that enable sustainable business success.

Why Choose ABL Fincorp?

25+ years of strong banking industry presence

Proven expertise in MSME financing & business loan solutions

Strong relationships with PSU, Private, Co-operative, MNC Banks & NBFCs

Consultative approach to align business needs with the right funding

Strict financial discipline & legal compliance at every stage

End-to-end support for Working Capital, Term Loans, OD & Collateral-Free Loans

Timely funding for new ventures & business expansion

Continued support before and after disbursement with a transparent, cost-effective fee structure

Key Parameters We Evaluate

Business model and future growth plans

Debtor-creditor cycle and cash flow strength

End use of funds

Short-term and long-term funding requirements

Repayment capacity

Promoters' credit history and entity credit rating

Credit-focused due diligence

Our Services

MSME & Mid-Corporate Finance

Structured funding for manufacturing, trading and service businesses - term loans, working capital and composite loans for expansion, upgrades and efficiency.

Trader Sector Finance

Customized credit solutions for traders, wholesalers and distributors to manage cash flow, inventory and seasonal demand.

Machinery & Equipment Finance

Funding for contractors, Government contractors and industrial units to acquire heavy machinery, construction and project-based equipment.

Hotel & Hospitality Finance

Tailored finance for new setups, renovation, expansion, interiors and solar installations aligned with hospitality cash flows.

Food Processing & Cold Storage Finance

End-to-end funding for food processing units, cold storage and cold chain infrastructure, including subsidy-linked schemes.

Educational Institution Finance

Loans for schools and colleges for infrastructure, modernization, smart classrooms and campus expansion.

Professional Loans

Specialized loans for doctors, CAs, architects and professionals for clinic/office setup, equipment and expansion.

Women Entrepreneur Loans

Targeted funding solutions for women-led businesses with access to preferential and government-backed schemes.

Loan Against Property (LAP)

High-value loans against residential or commercial property for business growth, projects and liability consolidation.

Healthcare Finance

Funding for hospitals, nursing homes, diagnostic and veterinary centres for infrastructure, equipment and expansion.

Lease Rental Discounting (LRD)

Upfront funding against assured rental income from leased commercial or bank-occupied properties.

Home Loans

Hassle-free home loans with competitive rates, quick approvals, transparent processes and end-to-end support.

Our Consultancy

ABL Fincorp is a trusted consultancy firm that provides end-to-end business and financial advisory services to individuals, entrepreneurs, MSMEs and growing enterprises. With strong industry expertise, we help clients make informed decisions, structure finances efficiently and access the right funding solutions.

Our approach is consultative, transparent, and execution-driven, ensuring that every solution is practical, compliant and sustainable.
